Mr. Hiro Mizuno has served as Executive Managing Director and Chief Investment Officer of Japan's US\$1.4trillion Government Pension Investment Fund (GPIF) since January 2015.

Prior to joining GPIF, he was a partner of Collier Capital, a London-based private equity firm. He previously worked at Sumitomo Trust & Banking Co., Ltd. in Japan, Silicon Valley and New York.

His engagements in academics involve: an advisor, Office of the President of the University of Tokyo, a guest professor of Osaka University Graduate School of Medicine, an adviser to the Kyoto University's Center for iPS Cell Research and Application, and a guest professor of Kindai University Global Economic Research Center, a senior fellow of Tel Aviv University Graduate School of Management and a member of the International Executive Committee for the Einstein Legacy Project at Hebrew University.

Mr. Mizuno has an MBA from Kellogg Graduate School of Management, Northwestern University.
